### STEP 1:

Work as a group to come up with  
your own definition of the terms.  
This means in your own words.

### STEP 2:

Divide your poster paper  
into four equal parts.

STEP 3:

Assign each person in  
your group one of these  
terms.

STEP 4:

Each person must use their quarter of the paper  
to write the definition and make up a visual  
example (meaning a picture). Each person is  
only allowed to draw on their quarter of the  
paper.

STEP 5:

Complete a poster walk: Each group  
will hang up their posters and then  
evaluate the other groups' posters,  
writing something they liked about it.
